A team of Raymond James cyclists from offices throughout BC cycled for 8 days to cross our beautiful province. Three riders from our Kelowna Corporate Branch (Brendan Willis, Craig White, and Jay Dowhaniuk), raised funds for several BC Cancer Agencies as part of the **Raymond James Cross-Canada Charity Challenge**, an initiative in celebration of Canada's 150th birthday.

Riders began at the Alberta/BC border near Field and finished at the Fathers' Day Walk/Run in Victoria; completing 920 kms and raising almost \$15,000 through their Chimp.net campaign. In addition to this these riders raised \$10,000 for their next ride, the Ride to Conquer Cancer, that is scheduled for August 26/27, 2017 as a kick start to that campaign.

James Schikkerling (from our Vancouver office) created this great video capturing the highlights of their ride. [Full recap of Raymond James BC Big Ride.](#)
