June 18th marks Raymond James' 3rd year as a title sponsor for The Father's Day Walk/Run which has been their signature event for 18 years now. As a corporate initiative this fundraiser takes place in five locations including, Metro Vancouver, Chilliwack, Kamloops, Victoria and Kelowna. Each year our staff help organize, promote, volunteer and walk/run in the event. The day was full of food, fun, entertainment, familiar faces and newcomers. This year the run took place near Waterfront Park. Check out the great video created by Raquel Rodrigues.
