PLUS nearly **\$ 20,000 for additional charities**

Our 4th annual signature fundraiser “*Christmas in November*” has definitely found its stride and has entered the “Galas not to be missed” category in Kelowna. We replicated the Christmas carnival theme that was so popular last year and turned it up a notch. Our entertainment included DJ Haymaker, Kinshira Performance Troupe, Magic by Greg, and Okanagan Photostar booth. TTM Events did a fabulous job of creating the atmosphere and included Giant Games from Level up. Okanagan Street Food wowed us with their poutine, corn dogs and other gourmet carnival eats. Our silent and live auctions were a big hit with a framed hand painted feather of Canadian Icon Gord Downie standing out as the must have item of the night.
